## S.O.F.T

by Thalya Lewis - age 9

**S** is for soft words that we say

Words that bring smiles, turning all wrath away  
If hearts are right and God's Word we obey  
Then we'll find fights will be gone from our day

**O** is for others who come across our way

With hearts so heavy from burdens each day  
They think the frowns are just going to stay  
But we'll show them smiles can chase frowns away

**F** is for friends who will be ours to stay

Friends who we care for help on their way  
Caring by helping at work and at play

**T** is for time to speak softly each day

Time to read God's Word and time to obey  
So we can share joy  
with those on our way

## A song from Proverbs 15:1

From Proverbs 15:1 we know  
A truth our lives must always show  
A soft answer turns wrath away  
And gives us peace throughout each day
